PULMONARY  
CARE**

# COMFORT OF HOME & SPECIALIZED EXPERTISE

## Comprehensive CARDIOPULMONARY CARE

Our physician led program, under the direction of both a cardiologist and pulmonologist, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and physical limitations.

We tailor our program for individuals with heart disease and pulmonary disease, with diagnoses such as: CHF, COPD, post heart and lung transplants, emphysema, acute myocardial infarctions and acute respiratory failure.

**OUR GOAL** is to provide the medical expertise and personal support to help residents get well, be well and stay well.

## Our CARDIOPULMONARY PROGRAM Features:

- Team consults by our Board Certified Cardiologist and Pulmonologist
- Advanced Cardiac Life Support ACLS Certified Nurses
- 7 Days Per Week Therapy Services as prescribed
- 24/7 Access to Laboratory and Radiology Services
- Tracheostomy Care and Management
- On-site EKG's
- Wide Range of Oxygen Therapies including Liquid Oxygen
- Remote Telemetry
- Nebulizer Therapies
- Pacemaker Assessment and Monitoring
- ZOLL LifeVest
